NEW PRODUCT RELEASE HUB CAP KIT FOR MH SERIES WHEELS

MATCO mfg announced the availability of a hub cap kit for the MH series wheels today. Responding to customer inquiries for a kit to allow installation of the current WHLWC wheel cover on MH series wheels, MATCO mfg has introduced the MHWC hub cap kit.

The kit includes wheel covers and mounting hardware for two wheels. The WHLWC wheel covers are made from durable ABS polymer. The wheel covers can be painted to match customer requirements. Installation can be accomplished without removing the wheel. Installation on MH wheels using the CNC spun wheel halves (introduced in early 2001) can be accomplished in about 10 minutes, On earlier MH series wheels using stamped wheel halves, some trimming of the wheel cover may be required and installation may require about 30 minutes. Introductory pricing for the is only \$14.75 for the two wheel MHWC kit

Questions regarding this release can be referred to the technical support department of MATCO mfg at 550 West 3615 South, Salt Lake City, Utah 84115, by email to tech@matcomfg.com, or by telephoning (801) 486-7574.
